

FLX-RBOCA Technical Specification
Component Video Breakout Cable
Rev. 131209

The Intelix FLX-RBOCA component video breakout cable allows component video to be connected to VGA HD-15 connectors on the FLX-RI4 scaler card.

Technical Specifications	
I/O Connections	
VGA	HD15 Male
Component Video (Y _P B _P R)	(3) RCA Female Connectors
Electrical Characteristics	
Temperature Rating	80°C (176°F)
Maximum Voltage	30V
Conductor Gauge	22AWG
Conductor Resistance	55.0 Ω/km Max. at 20°C
Impedance	50 ± 5Ω
Physical Characteristics	
Cable Length	40cm (15")
Cable Jacket Material	Half Matte PVC Black
Shipping Weight	1lbs. (0.45kg)
Other	
Warranty	2 Years
What's in the Bag	FLX-RBOCA
Compatible Devices	FLX-RI4

*Note: The FLX-RBOCA is only intended for use with the FLX-RI4 scaler card.
